

Reading: Giving Tuesday

Today is Giving Tuesday.

**It is the Tuesday after
Thanksgiving.**

It is a global day of giving.

It was created in 2012.

**It inspires people to give,
collaborate, and celebrate
generosity.**

**Cognitive: Name three
from each category.**

Ways to help a neighbor.

Ways to evaluate a charity.

Ways to donate to Parkinson Voice Project's Holiday Challenge

**Bonus Reading: Excerpt
from “Blessings Overflow”
by Jerold Panas (1928-2018)**

**Blessings overflow and are
unceasing. Be thankful for**

**robust health to make life
and work a joy. Pass on
that joy to others. Be
grateful for wealth enough
to support your needs and
those in need. Show
determination to make
each day better than the
day before...and above all,
express abiding thanks for
all your gains, miracle after**

miracle. To know that your
final victories come from
hope and **faith** and **love**
and **gratitude**... and the
greatest of these is
gratitude. Unleash the
power **within you** so you
can touch the lives of
others in **endless** and
wonderous **ways.**
